Park Dental Research Implants

Quality materials, advanced production methods, and excellent sterilization and packaging procedures are an important part of PDR implants and associated components. Our inspection process exceeds industry standards. PDR has developed and implemented an ISO 9001 and ISO 13485 quality management system for the manufacture of all products. Our commitment at PDR is to provide the highest VALUE in the dental implant market. PDR provides cost effective dental implants with innovative features coupled with competent, reliable service.

Park Dental Research Warranty

Park Dental Research warrants its products to be free of defects for a period of one (1) year from the purchase date. At its option, PDR will replace or refund the purchase price of any product, to the original purchaser, for items returned due to defects in material and workmanship. If a defect is found in a product, the product should not be used. This warranty covers only the cost of the product and not clinical and professional fees associated with the use of the product.

Park Dental Research is not liable for any damages due to changes made to the product by the user. It is the manufacturer's intention that the product be utilized in a manner that has been submitted to the appropriate governing regulatory bodies. The user is responsible for determining the suitability of the product for its intended application.

Shipping

Orders placed by 3:00 PM CT are guaranteed to ship on the same business day. Park Dental Research uses the best method of shipping specific to each customer. Shipping carriers may vary depending upon shipping requests, logistics and demands. Expedited delivery options are also available upon request. All shipping costs are added to the customer's invoice. Clinicians are cautioned not to accept damaged packages.

Product Return Policy

Items may be returned within 30 days of purchase date and must be accompanied by a Return Materials Authorization (RMA) number. RMA numbers may be obtained by contacting a Park Dental Research customer service representative. All returns are subject to a 15% restocking fee. Returned items must be unopened and in original packaging. Any damaged or opened product will not be accepted and will be destroyed with no credit issued. Expired product will not be accepted. When returning products, please ensure that items are packaged to prevent any damage during shipping. PDR will not be responsible for lost, stolen, damaged or late returns. Shipping fees for initial shipment and returns will be at the expense of the customer. If a credit card was used for purchase, merchant service fees will be deducted from credit.
